

How TO Receive Manifest Online By TSDF/Authorized Recycler/Actual User

STEP:- 1 TSDF/Authorized Recycler/Actual User needs to login for accept/Receive the manifest from their login.

The screenshot shows the login interface of the Online Consent Management & Monitoring System. The page includes a navigation menu with options like HOME, FAQ, CONTACT US, HELP DESK, USER MANUALS, DASHBOARD, and ONLINE MONITORING. A prominent 'User Login' section is on the right, with radio buttons for 'HSPCB Login' and 'Industry/HCF Login'. The 'TSDF Login' section has input fields for 'User ID', 'Password', and 'Captcha Code'. Below the login fields are 'Login' and 'Forgot Password' buttons. The main content area features a large image of an industrial plant and several informational boxes, including 'About SPCB' and 'Hazardous Waste Management Granted Applications'. A footer at the bottom provides contact details for the HSPCB office and a disclaimer.

STEP:-2 There has two tabs one is pending and one is completed. Pending Tab consist manifest which are prepared or sent by units & need to be received. Completed tab shows which are already received by TSDF operators.

The screenshot displays the user dashboard after successful login. At the top, there are 'Home' and 'Logout' buttons. A welcome banner reads 'Welcome Sanjeev Mehra(employee)' with the date 'Date : 12/10/2020'. Below this, there are two tabs: 'Pending Manifest' and 'Completed Manifest'. The 'Completed Manifest' tab is active, showing a table with the following data:

Manifest No	Manifest For	Industry Name	Industry Address	Manifest Submission Date
162740	WasteTracking	NIC TEST	NIC TEST	12/10/2020 02:32
162690	WasteTracking	NIC TEST	NIC TEST	26/08/2020 11:59

The footer of the dashboard includes the text: 'Site designed, hosted by National Informatics Center' and '© Content Owned, Updated and Maintained by Haryana State Pollution Control Board'.

STEP 3 :- Now TSD/Authorized Recycler/Actual User can accept pending manifest created by unit or track the same also (162740).

Waste Tracking Management
